

## Media Agreement

Due to its innovative and ambitious goal of building "Digital Creators" and "Future Digital Leaders", this course arouses a great interest in the media, both national and international.

Since no minor child is allowed to be filmed nor photographed without the consent of their parents, we kindly ask you to fill up this form and return it to the Luxembourg Tech School as soon as possible. The collected material might be used on our LTS website, LTS social media channels, media coverage related to LTS, etc.
